

Hello to all our valued Members of Colo Soccer Club for 2021 and our local community. Next year is fast approaching and we are looking for support from our local businesses in the way of sponsorship.

JOIN OUR TEAM FOR 2022!

We have put together sponsorship packages to suit all budgets. Colo is the largest club in the Hawkesbury and has been your local club for the past Years. Over the years we have developed players that have gone on to play at the highest of levels, whilst maintaining a club that is friendly and caters for all levels of ability.

Our playing fields are owned by Colo SFC and as such all expenses in improving and maintaining them are the responsibility of the club with no assistance from the local Council. As such we are reliant on the generosity of our members and local business owners for a way of providing and continuing improving the facilities for all our members.

With the continuing growth in the local area, it is a goal of Colo SFC to grow with it and provide a club that can expand and grow whilst providing the facilities for all our members for a long time in the future.

Our playing fields are situated in an area that generates a high amount of exposure for your business. We have come up with packages that will maximise this exposure for your business.

We have 72 teams and over 800 registered players this year with thousands of spectators visiting the grounds.

Sponsorship is a great way to get behind your local club whilst promoting your business to a wide audience.

If you or someone you know owns a business and would love to take advantage of one of our sponsorship packages please contact our club at **Colo.Soccer.Sponsorship@gmail.com**

Kind Regards,

The Executive Committee, Colo Soccer Club.
