

Summer Soccer Information 2023

Colo Soccer will be hosting summer soccer again this season at Cougar Park!

Step 1. Get your team together! Team nominations will open in dribl on **Monday 31st July**. The team Manager/Co-ordinator only will nominate the team. There is no cost to nominating a team as all costs are paid with registration, however please do not nominate a team unless you have sufficient players. You may email the club at admin@colosoccer.com.au if you need extra players as we will be taking a waiting list. Please ensure you nominate your team before Friday 11th August.

Step 2. Once nominated and accepted the team co-ordinator will then receive the teamlink code to distribute to their team's players. Please ensure your players know to use this code as it will place them directly into your team.

Step 3. Player registrations open Monday 14th. Player registration will be through dribl.

Note: If All Age Players or 16-18 Youths are playing in more than one all age team there is a teamlink code they may use to reduce the cost of the second registration. For 16-18 year old's the voucher number is COL-9C7D-3836-C7ED and for adults 19+ the voucher code is COL-DCDF-2F77-5A0A. These codes will only be valid for multiple registrations after the initial registration and the registration will be rejected if the voucher is only used on single registrations. (Every registration is checked thoroughly for the use of these discount codes).

All teams are required to have at least 6 registered players by Friday 8th September. (4 Players for U5-7's)
